No. NSG/SAS/

Dated: 5th January, 2017

Subject: Notice No. 165 - Final Reminder - Submission of Documents

All residents staying in Society and members who have not followed/fulfilled their obligations are requested for the last and final time to submit documents (i.e Transfer papers including each and every attachment, rent agreement along with police verification, approved plan and completion certificate, up to date water clearance bills and maintenance charges including 10% transfer charges , etc. etc. by **31st Jan. 2017.**

All are afforded a last opportunity , as an honorable member, feeling aggrieved, has filed a case in the Hon'ble Court and the Society has been left with no option but to highlight all the shortcomings being committed by one and all.

Various AGM's , with the last culminating in our Society, has been wanting strict action against the defaulters and now the Society being afforded an opportunity in the form of new court case, is appealing to all to fulfill their accountability before it is too late.
